NOTE TO THE STANDING COMMITTEE (TAXATION & FINANCE)

SUBJECT - Introduction of concurrent audit in the Octroi Department of the Corporation.

In the audit report of the embezzlement of Corporation funds by Sri P Y Shivappa, Mutsaddi of Octroi Office, the Auditor has suggested as follows for improvement of Octroi Revenue -

"The system of concurrent audit is found to be prevalent in the most of the Department of the State wherein Revenue or Expenditure is found to be not less than Rs 30/- lakhs per annum. For facility of conducting cent per cent check with reference to the initial accounts of the Department, the system of concurrent audit may, as an experimental measure be tried for a year and the results watched so as to see if it may be continued or given up".

The Auditor was accordingly requested to forward proposals for introduction of concurrent audit. He has now suggested that creation of the post of an experienced Accountant in the grade of Rs 60-5-90-8-130-10-150/- E B 10-180 plus Rs 10/- Duty allowance for obtaining the sanction of the Corporation and the Government.

As the creation of the post suggested above is essential in the interest of safeguarding Octroi revenue and maintenance of correct accounts, it is requested for an early sanction to the proposal.

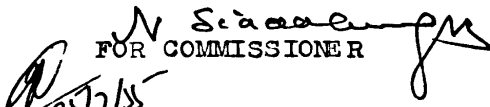

This subject was placed before the Standing Committee (Accounts) and the Standing Committee (Taxation & Finance) for their approval and was approved by them.
